

WELCOME!

Food Solutions New England Network Vision

Food Solutions New England envisions a powerful food movement that democratically transforms New England's food system so that it is sustainable, just, and resilient.

PATHWAY TO THE VISION

NEW ENGLAND FOOD VISION

At least 50% of our food is produced in the region by 2060

Sustainable farming & fishing

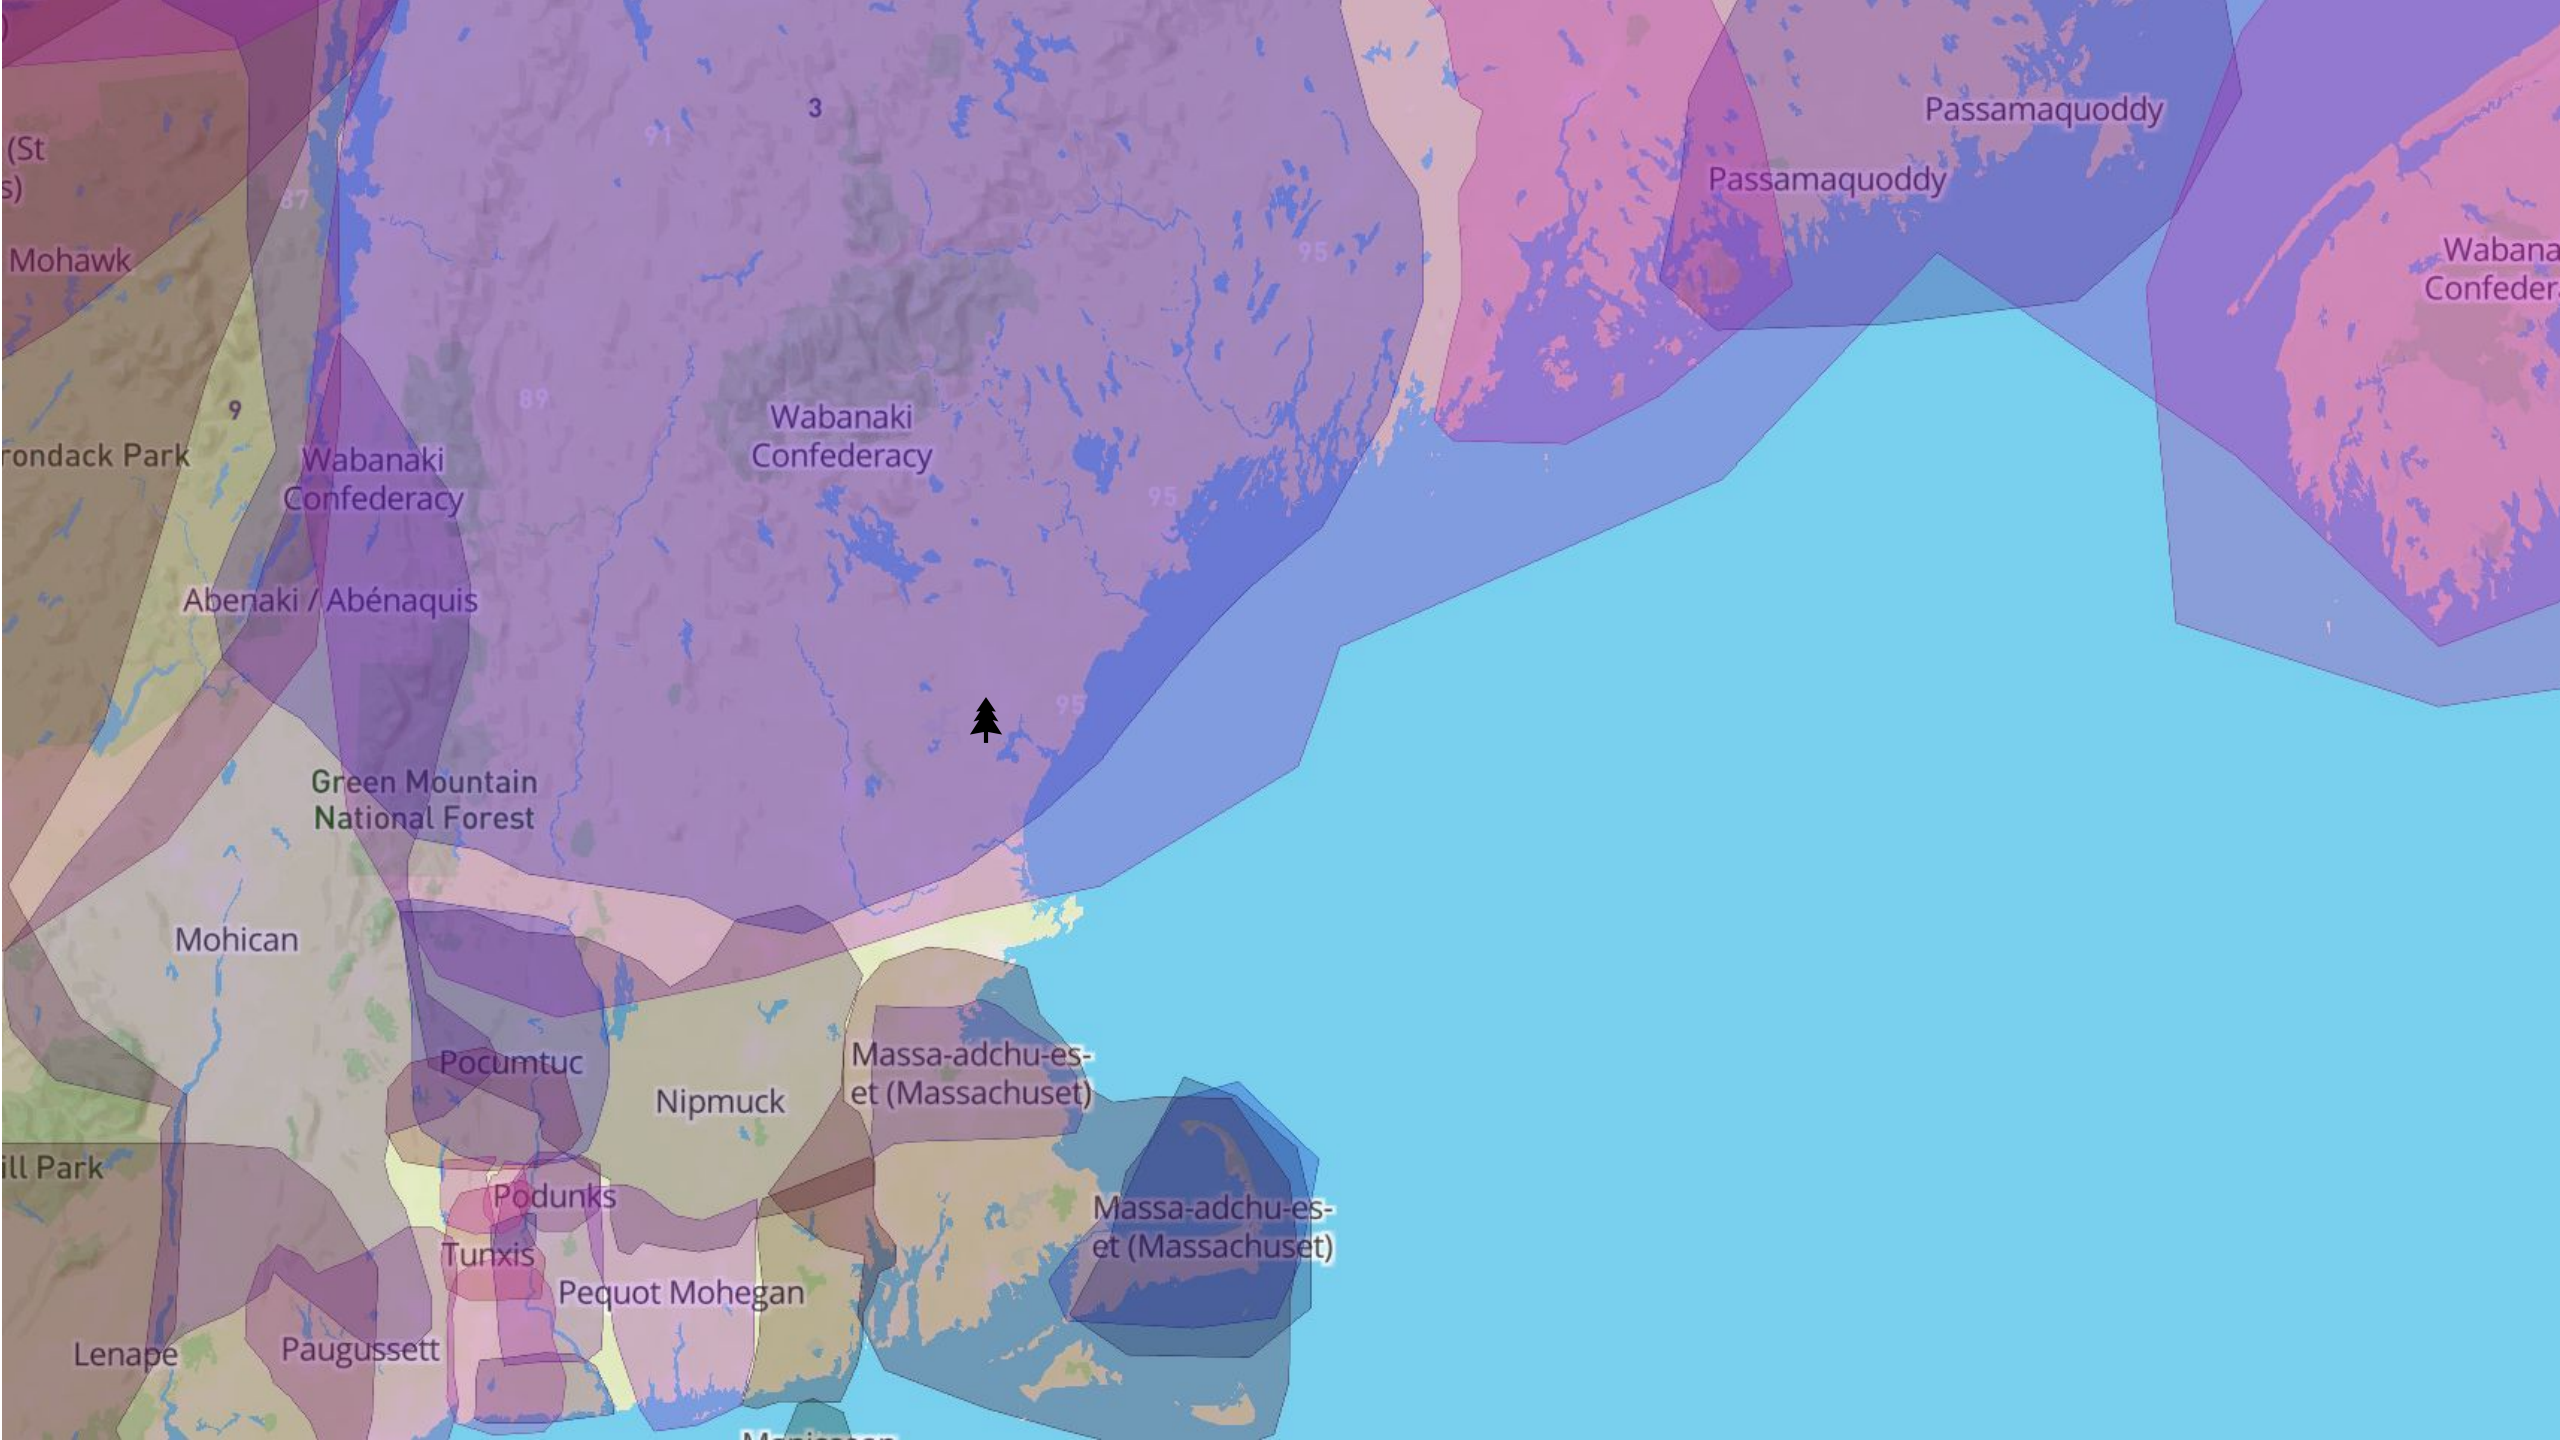

Healthy food for all

Racial equity & food justice

Thriving communities

A multi-racial six-state network that unites the food system community around a shared set of values - democratic empowerment, racial equity and dignity for all, sustainability, and trust - and strengthens the movement's ability to achieve New England Food Vision goals.
